(e) details of other medicines where prices have been increased, reported in ORG and intimated by manufacturers to his Ministry along with earlier, increased price and .percentage increase in each case

THE MINISTER OP INDUSTRY (SHRI J VENGAL RAO), (a) and '(b) Prices of some medicinea have gone up whereas with Government's intervention prices of some have been decreased also.

(c) Yes, Sir.

(d) and (e) A very large number of formulation packs for under non-techeduled category and the required details are quite voluminous and are not readily available. The time and effort required for collection of these will not be commensurate with the results likely to be achieved. Wherever price increase is abnormal the department has intervened to bring down prices.

Utilising natural resources of Orissa for energy

24 SHRI KANHU CHARAN LENKA: Will the Minister of ENERGY be pleased to state:

(a) whether the Government have prepared or propose to prepare any projects for utilising the natural re sources "of Orissa for harnessing more energy,

(b) if so, what are the details thereof; and

(c) to what extent the projects v/ill benefit the local people in get ting employment?

THE MINISTER OF ENERGY AND THE MINISTER OF COMMUNICATIONS (SHRI VASANT SATHE): (a) to (c) For harnessing more commercial energy based on coal, a long-term plan has been drawn up to increase coal production from the present level of 8.96 m.t. to over 39 m.t. by 1994-95, in Orissa. According to broad estimates about 6000 the new coal projects. A number of coal based thermal power plants will be fed coal from the Orissa coalfields.

Besides coal, there are various renewable energy development programmes being implemented in Orissa which, include biogas, improved chullahs, solar thermal and photovoltaics, wind energy, bio-mass, b:o-energy etc. to meet the energy requirements in rural areas. In addition, four hydro electric projects have also been taken up in the state sector. These schemes are expected to benefit a large number of local people. These schemes are
